

# This is a free sample from Christmas seamless mega pack

You can use them for both commercial and personal use

If you want to use one of our free vectors or brushes on your website, please send us an e-mail asking for our permission.

If you use one or more of these freebies in your artwork a credit link is highly appreciated, we need to feed the hamster that's powering up the site ;)

**You do not have rights to** redistribute/resell/lease/license/sub-license or offer free downloads of our digital items in their present form or in a modified form to any third party
